

FOR THE SAFETY OF OUR PATIENTS:

1. **TWO** (2) or less visitors per patient at a time.
2. Children under the age of **TWELVE** (12) may not visit.
3. Children under **TWELVE** (12) cannot be left unsupervised by an adult in the lobby.
4. Visiting hours for the Children/Adolescent Unit are limited to immediate family only (Mother, Father, siblings, and grandparents). Any other visitors must have pre-authorization and a doctor's order must be written.
5. **Visitors are asked to sign in and leave their coats in the lobby of the hospital. Handbags or other packages should not be brought onto the Units, visitors should lock them in their vehicles.** Clarion Psychiatric Center is not responsible for lost or stolen articles left in the lobby.
6. All packages for patients on the Units must be checked by the nursing staff at the time they are brought in prior to giving them to the patients. **For the patient's safety, certain items are NOT allowed on the units. Items will be sent home when possible or stored until discharge.**
