

GUIDELINES FOR PATIENTS AND VISITORS

Phone Calls

ADULTS:

- Patient phones are available for use when group is not in session. Family/Friends may call anytime 24/7 to check on their loved one or to leave a message for their loved one.

CHILD AND ADOLESCENT:

- Admission staff will give you the calling hours that your child can make phone calls. Friends/Family that are on the approved phone call list may also call in 24/7 to receive an update on their loved one.

VISITATION RULES (ONLY 2 VISITORS AT A TIME)

ADULTS:

- Visitors must be 14 years of age and older. Any visitor under the age of 14 years old must have adult supervision in the lobby.
- Special requests for visitation need to be submitted 24 hours in advance.

CHILD/ADOLESCENT:

- Visitors must be 10 years of age and older and limited to parents/guardians, siblings and grandparents
- A special request must be submitted 24 hours in advance for approval of any other visitors. Children at the age of 14 and younger must have adult supervision in the lobby.
- *Visitation may be limited in the patient's best interest. Disruptive visitors may be asked to leave at the discretion of the staff. If it is not possible for you family member/visitor to visit during regular visiting hours, other arrangements can be made.*

APPROVED BELONGING'S LIST FOR ALL UNITS:

- 4 sets of clothing (4 pr. of socks, 4 pr. of underwear, 4 shirts, 4 pants and 4 bra's)
- Sleeping clothes (1pr.), slippers/slides/ tennis shoes or slip-ons (1pr.)
